Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 16 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry with sunny spells and mild.

Today:
Cloudy morning across the region with outbreaks of rain for the northern parts and dry elsewhere. Rain eases before midday with clouds clearing from the west. Breezy but feeling mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
There will be a dry evening and night across the region. Clear spells for most areas with any clouds in the southeast clearing during the night. Feeling chilly. Minimum temperature 3 deg C (37 deg F).

Wednesday:
A dry and mostly bright day, with plenty of sunny spells. A few clouds developing for eastern parts during the afternoon and remaining throughout the night. Feeling mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
Largely dry and cloudy on Thursday with bright spells during the afternoon. Mostly cloudy with drizzle and showers possible for Friday and Saturday. Mild, turning colder.
